

JUSTICE

...engage in ministry and action and promote healing

and wholeness in the church, the society and the world.

Psalms 82: 3 and 4: “Give justice to the weak and fatherless; maintain the right of the afflicted and the destitute. Rescue the weak and needy; deliver them from the hand of the wicked.”

Justice is:

faith in action to address the inequities in political, economic and social systems, equity and impartiality that shows mercy and compassion, and serving God in ways that work toward wholeness and healing for all people.

Our goal is to help congregations:

1. embrace the concept of justice,
2. identify things currently being done in the area of justice,
3. connect with information and resources to explore other opportunities where voice and action are needed,
4. encourage and provide presentations on Racial Justice Advocacy,
5. learn more about human trafficking, and
6. encourage women to learn more about their roles in justice issues and call them to action.
